In the first quarter of 2020 global financial markets have experienced and may continue to experience significant volatility resulting from the spread of a novel coronavirus known as COVID-19. The outbreak of COVID-19 has resulted in travel and border restrictions, quarantines, supply chain disruptions, lower consumer demand and general market uncertainty. The effects of COVID-19 have and may continue to adversely affect the global economy, the economies of certain nations and individual issuers, all of which may negatively impact the Fund's performance.

The Board and the Manager continue to watch the efforts of governments to contain the spread of the virus and monitor the economic impact, if any, on the companies in our portfolio.

---

### **Basis for opinion**

We conducted our audit in accordance with the Law of 23 July 2016 on the audit profession (Law of 23 July 2016) and with International Standards on Auditing (ISAs) as adopted for Luxembourg by the "Commission de Surveillance du Secteur Financier" (CSSF). Our responsibilities under the Law of 23 July 2016 and ISAs as adopted for Luxembourg by the CSSF are further described in the "Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the financial statements" section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code) as adopted for Luxembourg by the CSSF together with the ethical requirements that are relevant to our audit of the financial statements. ### **Other information**

The Board of Directors of the Fund is responsible for the other information. The other information comprises the information stated in the annual report but does not include the financial statements and our audit report thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

---

**Responsibilities of the Board of Directors of the Fund for the financial statements**

The Board of Directors of the Fund is responsible for the preparation and fair presentation of the financial statements in accordance with Luxembourg legal and regulatory requirements relating to the preparation and presentation of the financial statements, and for such internal control as the Board of Directors of the Fund determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors of the Fund is responsible for assessing the Fund's and each of its sub-funds' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors of the Fund either intends to liquidate the Fund or close any of its sub-funds or to cease operations, or has no realistic alternative but to do so.

---

**Responsibilities of the "Réviseur d'entreprises agréé" for the audit of the financial statements**

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an audit report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with the Law of 23 July 2016 and with ISAs as adopted for Luxembourg by the CSSF, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control;
- evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors of the Fund;

- conclude on the appropriateness of the Board of Directors of the Fund's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's or any of its sub-funds' ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our audit report. However, future events or conditions may cause the Fund or any of its sub-funds to cease to continue as a going concern;
- evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

In defining the investment policy and the day-to-day management of each of the Sub-Funds, the Management Company may be assisted, under its overall control and responsibility, by one or several investment managers and/or investment advisors.

## MANAGEMENT AND PERFORMANCE FEES

Swan Asset Management S.A., has been appointed as Investment Manager of the Sub-Funds with an Agreement dated February 22, 2013.

A management fee is payable to the Investment Manager and to the Management Company in remuneration for its services. Such fee is set as follows :

The Fund pays a Management Company and Management Fee quarterly in arrears to the Investment Manager and to the Management Company for its portion of the Management Company and Management Fees equivalent to the percentages indicated below. The Management Company and Management Fee are calculated without taking into account any accrued performance related fee.

The maximum annual rate applicable on Net Asset Value of the Share Class during the relevant year or period is as follows:

**SWAN SICAV-SIF - SWAN BOND ENHANCED FUND :**  
A-Share Class: 1.55%.  
B-Share Class: 0.55%.

**SWAN SICAV-SIF - SWAN LONG SHORT CREDIT FUND:**  
A-Share Class: 1.25%.  
B-Share Class: 0.45%.

**SWAN SICAV-SIF - SWAN MULTISTRATEGY FUND :**  
A-Share Class: 1.70%.  
B-Share Class: 0.60%.

In addition to the Management Fees, the Investment Manager is entitled to receive a Performance Fee from the Fund so that each Share Class is effectively charged a fee which equates precisely with that Share Class' performance. This method of calculation ensures that (i) any Performance Fee paid to the Investment Manager is charged only to those Share Classes which have appreciated in value; (ii) all shareholders have the same amount of capital per Share Class at risk in the Fund; and (iii) shareholders have the same Net Asset Value per Share.

The Performance Fee is payable annually in arrears in respect of each performance period. The performance period comprise each twelve month period to 31 December.

Such fee is set as follows :

**SWAN SICAV-SIF - SWAN BOND ENHANCED FUND and SWAN SICAV-SIF - SWAN MULTISTRATEGY FUND :**  
20% of the increase in the Net Asset Value per A-Share Class  
10% of the increase in the Net Asset Value per B-Share Class  
**SWAN SICAV-SIF - SWAN LONG SHORT CREDIT FUND :**  
15% of the increase in the Net Asset Value per A-Share Class  
7.5% of the increase in the Net Asset Value per B-Share Class

(after adding back any distributions made) outstanding in respect of each Performance Period subject to a Highwater Mark. The use of a Highwater Mark (as described below) ensures that investors is not be charged a Performance Fee until any previous losses are recovered.

The Performance Fee will be accrued on each Valuation Day (as defined below) and taken into account in the calculation of the Net Asset Value per Share of the relevant class on each Valuation Day. In the event that a shareholder redeems any Shares prior to the end of a Performance Period, any accrued but unpaid Performance Fee in respect of such Shares will be deducted from the redemption proceeds and paid to the Investment Manager promptly thereafter.

The Performance Fee in respect of each Performance Period will be calculated by reference to the Net Asset Value per Share before the deduction of any accrued Performance Fees but after the deduction of accrued Management Fees and other expenses, and is adjusted to take account of all subscriptions and redemptions.

If there is underperformance for a given year, this underperformance would be taken into consideration as the reference NAV would be maintained. The reference NAV will be maintained until an outperformance of the NAV at the end of the accounting year will be recorded (Highwater Mark).

## MANAGEMENT AND PERFORMANCE FEES (continued)

In case of a redemption of Shares on which a performance fee is accrued, such performance fee is deemed realised and becomes payable.

The amount of the provision is paid to the Investment

Manager at the end of each accounting year.
